DX LOG

Official Country and Prefix List

INDEX

Alphabetical Country List.....Page 2 through 5
 Prefix Cross-index.....Page 6 and 7
 State List.....Page 8

THIS issue departs from the usual type of Ham News article. The recently-released Official DX Country List (sponsored and approved by the ARRL, W6QD of the CQ Staff, and G2MI of the R.S.G.B., as well as other well-known DX men) forms the basis of this DX log, cross-indexed with a prefix list, and with space provided so that you may keep a personal record of the DX as you work it.

Two changes will be noticed in the country list. The British Cameroons (ZD2) has been added. This change is not official. Also, the prefix for Portugal has been changed to CT1 as a correction from CT.

The country and prefix list will serve as a check list if you are interested in WAZ, WAC, WBE, or the DXCC. A state list is also included for those interested in WAS.

CQ CQ CQ ...

Lighthouse Larry wants you Hams to submit material for "Questions and Answers" and "Tricks and Topics."

Lighthouse Larry wants these two features to be full of live information, so get those letters rolling in. For each "question" or "trick" published in Ham News Lighthouse Larry will award \$10 worth of G-E tubes.

All entries become the property of the Electronics Dept., Tube Division, General Electric Company. What say, gang!
